How did you become interested in FLAP?

To the best of my knowledge, the information I have provided on this application is current and accurate. I **understand that completing this application neither obliges me to volunteer nor guarantees me a volunteer position with the Fatal Light Awareness Program (FLAP)**. I also understand that there are certain risks involved in working with wildlife and in an outdoor city setting. I understand that the risks, policies, and procedures will be explained to me when I begin volunteering. By signing this application, I agree to abide by all the policies and procedures that will be outlined to me by the Fatal Light Awareness Program. I take responsibility for my safe participation in FLAP's activities. I understand and have signed the Acknowledgement of Risk form.
